Re: IPMA-HR Eastern Region 2014 Training & Development Conference

Dear Avish:

Thank you for your energetic and sensational presentation to open the IPMA-HR Eastern Region Training Forum!

Your session was fun, interactive, motivational, and hilarious. That being said, you did a great job tying the entertainment into content that was relevant to our HR professionals. I also appreciated how you tied your message into helping people get the most out of our conference.

When people walked out of your opening session – on a Monday morning no less – laughing, excited, and energized, I knew the conference had opened successfully. You received 4.9 out of 5 on the speaker feedback evaluations and garnered a vast amount of positive feedback from attendees.

That being said, I would highly recommend anyone organizing a conference or event who wants a memorable, unique, high-energy, hilarious, and relevant presentation to book you.

Sincerely
