

Avish Parashar Introduction

Close your eyes for a moment and imagine a speaker who combines the improv comedy ability of “Whose Line Is It Anyway?” the motivational speaking power of Tony Robbins, and the comedic delivery of Lewis Black.

Well, open your eyes and stop dreaming, because our speaker today is **nothing** like that.

Now that I have lowered your expectations, let me tell you a little about our speaker.

Avish Parashar is quite possibly the world’s only “motivational improviser.” Today he will be showing us how we can all use ideas from improv comedy to stress less, think on our feet, and make our lives easier and more successful.

Ladies and gentleman, please join me in welcoming our speaker, Avish Parashar.
